	Carrier)	

This matter comes before the Public Service Commission of South Carolina (the “Commission”) by way of the Application of Blue Chip Moving Company, LLC (“Blue Chip” or “Applicant”) to reinstate the Applicant’s Class E (Household Goods) Certificate of Public Convenience and Necessity No. 9779.

On January 17, 2018, a Petition was filed by the South Carolina Office of Regulatory Staff (“ORS”) to Revoke Certificates of Public Convenience and Necessity of certain motor carriers for failure to file annual reports and/or gross receipts¹; thereby failing to comply with the statutes governing operations of motor vehicle carriers in South Carolina. The record reflects that Blue Chip was listed in and served with the Petition to revoke Certificates for noncompliance.

For those motor carriers who had not responded to the prior notifications of noncompliance, a formal hearing regarding the Petition was held on May 9, 2018. The Commission found that the Certificates of Public Convenience and Necessity held by certain carriers, including the Applicant, should be revoked and cancelled for the

violation of failing to file annual reports and/or gross receipts. Accordingly, on May 22, 2018, the Commission issued Order No. 2018-344, which cancelled Blue Chip's Certificate No. 9779.

On May 13, 2019, the Applicant filed a request seeking reinstatement of the cancelled Certificate. Thereafter, by letter filed May 24, 2019, the Office of Regulatory Staff ("ORS") advised that Blue Chip has filed the 2016 Annual Report that was the cause for revocation of the Applicant's Certificate. According to ORS the Applicant has paid back assessments and is currently in compliance with all reporting and insurance requirements. ORS states that it has no objection to reinstatement of Blue Chip's Certificate contingent upon the Applicant utilizing the tariff and bill of lading that was current at the time of revocation.

The Commission has reviewed the case before it and, after due consideration, the Commission concludes that the above-mentioned Certificate should be reinstated, subject to compliance with all the applicable statutes and the Commission's Rules and Regulations, and that prior to such compliance and certification, regulated motor carrier services shall not be provided by the Applicant.

IT IS THEREFORE ORDERED:

1. That Class E (Household Goods) Certificate of Public Convenience and Necessity No. 9779 of Blue Chip Moving Company, LLC be, and hereby is, reinstated, subject to compliance with the applicable statutes and the Commission's Rules and Regulations, and subject to the use of the Applicant's current tariff and bill of lading.

2. That all operating rights authorized under the Certificate are hereby reinstated, subject to compliance with the applicable statutes and the Commission's Rules and Regulations.

3. Failure of the Applicant to complete the above process within ninety (90) days of the date of this Order, or within such additional time as may be authorized by the Commission should an extension of time be approved prior to the expiration of the ninety (90) day time period, shall cause this Order to become null and void, thereby rescinding the authority granted for reinstatement of the Applicant's Certificate. In this event, the request for reinstatement shall be dismissed without prejudice, and no further action by the Commission is necessary.

4. The ORS is requested to furnish to the Commission, every two months, the names and docket numbers of those applicants whose order becomes null and void under the terms of the previous paragraph.

5. This Order shall remain in full force and effect until further order of the Commission.
